

Volkswagen Genuine Accessories

**Pure dynamics. Perfect design.
Accessories for the Golf.**

Movement fascinates. In fact, there are few subjects that excite people more.

Volkswagen Genuine Accessories bring everything people associate with the brand into the realm of accessories. Before a vehicle even appears on the market, Volkswagen Genuine Accessories are developed, tested and approved alongside it.

Quality and function down to the smallest detail are what make Volkswagen Genuine Accessories so irresistible. Experience our broad range of seven product families for individual mobility – for even more driving pleasure and fascination. Your authorised Volkswagen agent will be happy to advise you.

Experience the perfect synthesis.

The ultimate in sporty dynamics. Volkswagen Genuine Accessories were included in the process of developing the new Golf from the very beginning. That is what produces the perfect balance between vehicle and add-ons, and the harmonious overall impression. For pure, lasting driving pleasure.

Front spoiler*

(pictured above)

Accentuates the sporty, dynamic look of your Golf. Front spoiler made from sturdy, unbreakable plastic. A new production process enables high quality with low thickness, therefore low weight. Primed ready for painting in your car's colour.

Item no. 1K0 071 609 9AX

For Golf V

Item no. 1KM 071 609 9AX

For Golf GT and Golf GTI

(not pictured)

Side sill set*

(pictured above)

The side sill set emphasises the car's sporty lines. The perfect complement to the front and rear spoilers. No drilling is required to fit to the vehicle. Primed ready for painting in your car's colour.

Item no. 1K0 071 685 K 9AX

Gearstick knob

The gearstick knob in retro aluminium and leather appearance is a great little looker and provides a touch of individuality. Standard attachment enables easy replacement. The gaiter is included with the knob.

Item no. 1K0 064 285 G

Treadplates

The treadplates protect the highly vulnerable threshold area against scratches and damage to the paintwork. Genuine Golf lettering gives them an individual touch and turn heads as soon as you open the door. Great visual and functional design, with optional white lighting for the front treadplates. You will find a list of all the available models in the enclosed price list.

Rear lights

Give your vehicle an unmistakable, modern look. For an individual emphasis – brilliant to look at. Made from robust plastic. Colour: Crystal Clear.

Item no. 1K0 052 200

Model year 06/05 or earlier

Item no. 1K0 052 200 A

Model year 07/05 or later

Rear spoiler with diffuser*

Perfectly suited to the design and aerodynamics of the new Golf. This Genuine rear spoiler utilises the standard attachment points, meaning you do not need to drill new holes in the vehicle. Primed ready for painting in your car's colour. Not in conjunction with 4MOTION.

- Item no. 1K0 071 610 9AX For vehicles whose exhaust end-pipes are not visible
- Item no. 1K0 071 610 A 9AX For vehicles whose exhaust end-pipes are visible

Styling package, painted

This aerodynamic complete set comprising front spoiler, rear spoiler, side sill set and roof spoiler is supplied in the vehicle's original colour; all you have to do is fit it to the vehicle. Only suitable for vehicles whose exhaust end-pipes are not visible. Available in the following colours: Black Magic pearl effect, Reflex Silver, Blue Graphite, Sage Green and Black. You will find a list of all the available models in the enclosed price list.

Exhaust end-pipe trim

(pictured left)

This chrome-plated, stainless steel twin exhaust end-pipe trim gives the Golf a sporty look.

- Item no. 1K0 071 910 A For 2.0l FSI/110 kW
- Item no. 1K0 071 911 For 1.9l and 2.0l TDI

*Also available as part of the Styling Package, painted. Comprises front spoiler, side sill set, rear spoiler and roof spoiler.

Roof spoiler*

Subtle but effective. Gives better grip and rounds off the rear end of the Golf perfectly. Perfect aerodynamics and elegant looks, wind-tunnel tested. Primed ready for painting in your car's colour.

Item no. 1K0 071 640 K 9AX

Pedal cap set

Grippy pedal caps made from high-quality, brushed stainless steel with non-slip coating. Includes electronic accelerator pedal.

Item no. 1K1 064 200

For manual gearboxes

Item no. 1K1 064 205

For automatic gearboxes

Complete suspension

(similar to version pictured)

This complete suspension set sport-tunes your ride. Four springs and four shock absorbers, lowering the car by approximately 30 mm. Stiffer suspension and great roadholding for ambitious drivers. Recommended in combination with the aerodynamic add-ons. You will find a list of all the available models in the enclosed price list.

Lowered suspension

Great looks, improved handling. The four springs lower the clearance by approximately 30 mm, therefore lowering the car's centre of gravity. You will find a list of all the available models in the enclosed price list.

Roadholding at its most beautiful.

Aura and elegance, breeding and class. Our alloy wheels for your Golf are tailored to your vehicle's chassis and sporty looks down to the last detail.

A heat-hardened alloy of aluminium, magnesium and silicon makes the wheels more resilient to scratches and knocks.

At www.volkswagen-zubehoer.de you will find the Wheel Configurator, which allows you to view your Golf fitted with the alloy wheels of your choice.

“DVD Voyager 4” multimedia kit

The “DVD Voyager 4” multimedia kit makes car journeys an especially comfortable experience for all of your back-seat passengers. Makes long drives child’s play – especially if you’re carrying young ones. The tablet DVD player integrated into the 7" TFT display plays DVDs, CDs and MP3s in all common formats. Quick and easy to fit to and remove from the headrests. This crash-tested system can also be extended with additional multimedia kits, a gaming console connection and extensive accessories. Also available as a Basic or Comfort kit. You will find more detailed information in the price list.

Item no. 000 051 780

PhatBox

The PhatBox car audio system is a hard drive which replaces conventional media such as CDs and audio cassettes, storing up to 7,000 sound tracks as audio files (MP3, WAV, WMA, OGG, FLAC). Using easy-to-use Music Manager software (Windows 98 SE/2000/Me/XP) you can put together your own personal hit parade on your PC at home, and transfer them to the PhatBox’s DMS hard drive using a USB cradle. The unit is controlled using Volkswagen radios/navigation systems with CD changer controllers.

Item no. 000 057 110 B

Loudspeaker upgrade set*

This loudspeaker set is specially adapted to your Golf, and its high-quality, attractive materials such as polypropylene membranes and matt-silver varnished dust caps ensure the perfect listening experience. Even without an amplifier they deliver high performance without distortion, and a dynamic, distinct sound picture on account of an extended frequency response. Separate adapters and cables are not required for installation.

Tailor-made transport solutions.

You are well advised to look to Volkswagen Genuine Accessories when choosing your transport systems. They are a perfect fit, easy to handle, and of a quality that matches your Golf in every respect. When it comes to transport you should always rely on Genuine Accessories for your Golf.

Bicycle rack for tow bar

Easy to use on all Volkswagen vehicles fitted with a tow bar. Makes taking two bikes on holiday a simple affair. Lockable fixing screws enable flexible handling and are an extra safeguard. Quick to assemble on the tow bar ball. Max. load: 15 kg per bike rail, and dependent on the load-bearing capacity of the ball-type tow bar.

Item no. 3C0 071 105

Extension kit for third bicycle

Item no. 3C0 071 105 E

Bicycle rack for tailgate

(pictured left)

Matches the lines of the vehicle visually. Practical and quick to fit. Carries a maximum of two bicycles. Made from anodised aluminium sections, with an anti-theft locking device. Pre-assembled, therefore especially easy to attach. Net weight: 6.8 kg. Max. load: 30 kg.

Item no. 1K0 071 104

Tow bar

Removable or fixed. The electrical installation set must be ordered separately. Please adhere to the permitted tow bar load as specified in the vehicle registration documents.

Item no. 1K0 092 155 A	Removable
Item no. 1K0 092 101	Fixed

Electrical installation set

Item no. 1K0 055 204	13-pin

Basic rack

The basis for all add-ons – ski and snowboard holders, bicycle holders or our useful ski and luggage box. Developed exclusively for your Golf, the basic rack merges harmoniously into the car's overall look. Made from aerodynamic aluminium sections with plastic cover caps. Mechanical parts made from galvanised, layered sheet steel. With an anti-theft locking device. Net weight: approx. 5.5 kg. City-Crash tested.

Item no. 1K0 071 126

“komfort” ski and snowboard holder

(pictured with basic rack)

Boards mean fun. And with this holder you can safely and easily carry up to six pairs of skis or four snowboards. Its practical pull-out function makes it easy to load and unload. Lockable. Made from anodised aluminium sections.

Item no. 1T0 071 129

Bicycle holder

(pictured with basic rack)

For every keen biker. Bicycle holder made from aerodynamically shaped plastic sections. Frame mounting made from matt chrome-plated steel. Lockable. Easy to handle and fit. Net weight: approx. 3.2 kg. City-Crash tested.

Item no. 6Q0 071 128 A

Surfboard holder

(not pictured)

Easy transport for up to two surfboards. Includes two mast holders and two tensioning straps. Quick and easy to fit to the basic rack.

Item no. 445 071 127

Kayak holder

(not pictured)

No sliding, no wobbling. Developed specially for transporting kayaks weighing up to 25 kg. Please adhere to the maximum permitted roof load.

Item no. 1K0 071 127

Ski and luggage box

Extra luggage can be stored in this aerodynamically shaped, sturdy roof box made from high-quality plastic. Its quick-release closure makes it quick and easy to fit to the basic rack. The box can be opened from either side, and its extra-wide opening angle makes loading and unloading easier. Exterior dimensions: 190 x 90 x 38 cm. Weight: approx. 25 kg. Capacity: 450 l. Max. permissible roof load: 75 kg. For up to six pairs of skis or four snowboards (length: max. 180 cm). City-Crash tested.

Item no. 000 071 175

Extension kit for transporting skis and snowboards in the ski and luggage box

Item no. 000 071 275

Dividing grille

The dividing grille separates the luggage space from the passenger compartment between the top of the seat back and the ceiling. The strong, black, powder-coated steel grating is easy and conveniently secured to the lashing eyes fitted behind the rear seat bench using threaded hooks and handy knurled nuts. New holes do not have to be drilled, which means the dividing grille can be removed at any time without leaving any marks. The function of the airbags is in no way impaired. The luggage space cover can still be used with the dividing grille in place.

Item no. 1K0 017 221

Skisack

(not pictured)

The useful skisack provides transport for up to four pairs of skis including ski poles, and protects the skis against damage by other items of luggage in the vehicle or in the roof box. The integrated belt can be slotted into the seatbelt socket. A full-length zip and comfy handles make the bag a pleasure to use. Length: approx. 200 cm, for skis up to 190 cm long. Colour: black.

Item no. 00V 061 202

Storage bag

(not pictured)

When you no longer require the skisack, you can stow it tidily in this storage bag.

Item no. 00V 061 201

Luggage net

Ensures that everything stays in its place and that none of your load slides around. This tear-resistant net has hooks that are easy to attach to the securing eyes fitted as standard to the floor of the luggage space.

Item no. 1K0 065 110

Item no. 1K0 065 111

For vehicles without a raised load space floor

For vehicles with a raised load space floor

Children should travel as safely and comfortably as possible, for which Volkswagen Genuine Accessories provide the best conditions possible. Our tests go way beyond the statutory safety requirements – the side crash test, for instance, confirms the high quality of the child seat systems. Perfect workmanship, easy handling, removable covers that can be washed at 30 °C – all of this comes as standard.

Bobsy G0 plus ISOFIX

Protection and safety for newborns and infants. The ISOFIX securing system connects the child seat and its frame securely to the bodywork or the front passenger seat. A foot frame provides additional stability. The child seat can be slotted into the ISOFIX mounting and removed from it in a few simple moves, meaning that the frame can be left behind when leaving the vehicle. With the new Bobsy G0 plus ISOFIX, the child is held safely in the seat by the integrated, height-adjustable 5-point harness straps. The sensitive back of a newborn is protected by the integrated seat insert. Higher side walls and the deep shell provide additional protection. The carry-handle's ergonomically curved shape is also ingeniously thought-out and enables the baby to be put in and taken out easily. Includes sun shield to protect against direct sunshine. Can also be used in vehicles without ISOFIX connectors but with a 3-point seat belt. For infants of up to 13 kg or approx. 15 months.

Item no. 00V 019 907

Bobsy G0 plus

(not pictured)

Child seat like the Bobsy G0 plus ISOFIX, but without an ISOFIX connector.

Item no. 00V 019 900 C

Raise your equipment levels.

Treat your Golf as carefully as it treats you. Volkswagen Genuine Accessories offers you a wide range of convenient protective extras to kit your Golf out to perfection – and keep it that way.

Cruise control*

Cruise control is an electronic instrument for controlling the speed of travel. It relieves the driver, particularly when adhering to speed limits, towing, and driving long distances. The system stores and maintains the speed chosen by the driver. The reset function automatically accelerates the vehicle to the previously chosen speed after braking and/or changing gear.

Seat covers*

These seat covers made from a durable, breathable synthetic blend protect the seats of your Golf against heavy use. Your safety, however, is not compromised: crash tests have confirmed that the airbags remain fully functional. The fabric design and colours match the vehicle's standard interior colour schemes. The covers retain their colour and shape even when washed several times.

Central armrest

(similar to version pictured)

This useful central armrest between the front seats makes long journeys more comfortable. With integrated fold-up storage compartment.

Item no. 1K0 061 123 FKZ**

Clothes hanger

Keeps your clothing free of creases and clean while you drive. Simply attach the clothes hanger to the headrest. Arrive without a crease in your jacket!

Item no. 000 061 127

*You will find a list of all the available models in the enclosed price list.

**FKZ = colour code, see price list.

Sunblind for rear windscreen

This blind has been adapted to the rear windscreen of your Golf, protecting passengers from direct sunlight but without impeding the view and with it the safety of the vehicle.

Item no. 1K0 064 360

Sunblind for side window

(not pictured)

Covers the maximum amount of the rear side windows. Visual protection and thermal insulation for back-seat passengers. A must when carrying children.

Item no. 1K5 064 362

Premium textile footmats

These fabric footmats are perfectly shaped to fit in the footwell of your Golf, and made from tough, tightly woven velour with white Golf lettering. Their wear-resistant back coating and the specially designed attachment points on the floor keep them fixed to the vehicle and prevent them from sliding around. The wide range of colours ensures that they match the interior of your car perfectly.

Item no. 1K1 061 275 P FKZ* For front

Item no. 1K0 061 276 P FKZ* For rear

Item no. 1K1 061 270 P FKZ* For front and rear

Rubber footmats

If things are going to get wet, then the rubber footmat set with Golf lettering is recommended. They collect dirt and moisture, which can then be easily removed by washing. Designed as a perfect fit and secured against sliding around the footwell by an attachment system. Made from low-emission, neutral-odour material.

Item no. 1K1 061 501 FKZ* For front

Item no. 1K0 061 511 FKZ* For rear

Rear trim in chrome look

This attractive rear trim with its high-gloss chrome look gets heads turning. Its resilient surface protects reliably against scratches and knocks. No drilling required to fit to vehicle.

Item no. 1K0 071 360

Loading lip protective film

Precision-fit loading lip guard made from transparent film. Easy to stick onto the rear bumper. Protects against damage caused by loading and unloading.

Item no. 1K0 061 197

Loading lip guard, stainless steel

The loading lip guard made from stainless steel not only protects the paintwork when loading and unloading, it also looks great. Easy to fit, requires no drilling or screws.

Item no. 1K0 061 195

Parking heater

More comfort in the winter months. Defrosts the windows, makes the car nice and warm when you get in, and preheats the engine – which helps to protect it. The parking heater consists of a heating unit, installation kit and timer. You will find a list of all the available models in the enclosed price list.

Parking distance control

Parking distance control can be retrofitted and makes parking easier using acoustic signals. The distance is measured by four ultrasound sensors inconspicuously embedded into the bumper. Includes an intelligent set-up function, which prevents objects such as the tow bar from being wrongly recognised as obstacles.

Item no. 1K0 054 630 B

Mudflaps

These precision-fit mudflaps are extremely tough and long-lasting. They protect the underbody, bumpers and rear of your Golf from heavy dirt. Dangerous stone-throw is also reduced, and spray minimised. For front and rear arches.

Item no. 1K0 075 111

For front

Item no. 1K0 075 101

For rear

Luggage space liner

Light, flexible, and precisely tailored to the contours of your Golf. Ingenious and highly practical details: 5-cm-high edges to protect against liquids, integrated anti-slip diamond texture, easy to roll up and tuck away in storage when not in use.

- Item no. 1K0 061 160 For vehicles without a raised load space floor
Item no. 1K0 061 161 For vehicles with a raised load space floor

Luggage tray

This useful boot protector for the Golf is a perfect fit. It is wipeable, non-slip and acid-resistant. It has 5-cm-high edges all round, which prevent liquids from running onto the floor of the vehicle. Makes keeping your boot clean a piece of cake, and stops your load sliding around, too. With Golf lettering.

- Item no. 1K0 061 180 For vehicles without a raised load space floor
Item no. 1K0 061 181 For vehicles with a raised load space floor

Luggage trough

This high-cut Hostalen insert with broad grooves and embossed Golf lettering is extremely robust and acid-resistant. For everything that likes to leave marks behind when carried, such as dirty boots and plants. Using the insert protects your boot against dirt, and it is easy to clean on account of its smooth plastic surface.

- Item no. 1K0 061 170 For vehicles without a raised load space floor
Item no. 1K0 061 171 For vehicles with a raised load space floor

“transboard” storage tray

Divided into five sections, this tray provides extra storage space for less frequently used items such as umbrellas, windscreen scrapers and maps, and keeps them all tidily within reach. Includes a special compartment for the first-aid kit. No additional drilling or screws required. Max. load: 4 kg.
